WINEGROWER

Thierry and Alexis.

GRAPE VARIETY

Chardonnay, the emblematic variety of great white Bourgogne wines.

VINES

"Clos de Chenôves", located in the eponymous village in the Côte Chalonnaise, is one of the oldest clos in Burgundy. The Chardonnay vines, which face east, cover 2.60 hectares and are located mainly at the top of the hillside. The soil here is very stony. It is made up of clay, limestone and marl. All these characteristics make this a unique wine.

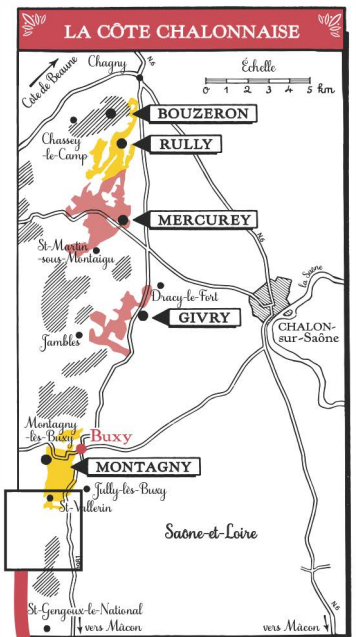

WINEMAKING AND MATURING

Grapes harvested when perfectly ripe. Pneumatic pressing to preserve the quality of the juice. Careful settling to bring out the richness of the terroir. Fermentation (alcoholic, malolactic) and ageing partly in stainless steel vats to bring out the intensity of the aromas, and partly in barrels to give structure. The wine is bottled at the optimum time and rested before being released on the market.

TASTING NOTES

This pale gold-coloured wine opens with a nose of yellow-fleshed fruit (peach, melon). It has a silky attack on the palate and a long, mineral finish. A gourmet expression of Chardonnay.

Serving temperature: 11 to 13°C

Millebuis is the true essence of our multifaceted terroirs in the Côte Chalonnaise; Montagny, Givry, Mercurey, Rully... the names of our wines are the embodiment of the charming villages situated in the very heart of Bourgogne and our treasure. It is from this rich environment that our wines draw their delectable qualities.
