Millebuis

MONTAGNY 1ER CRU

Vigne du Soleil

GRAPE VARIETY

Chardonnay, the emblematic variety of great white Bourgogne wines.

CLIMAT

Covering an area of 4.7 hectares, « Vigne du Soleil » is the sunniest vineyard of the Montagny 1er Cru appellation. It faces fully east and the vines are located on the lower slopes in slightly stony, brown-earth terrain. They source the power and intensity that is so typical of our Montagny 1er Cru "Vigne du Soleil" in clay soils with some percolation.

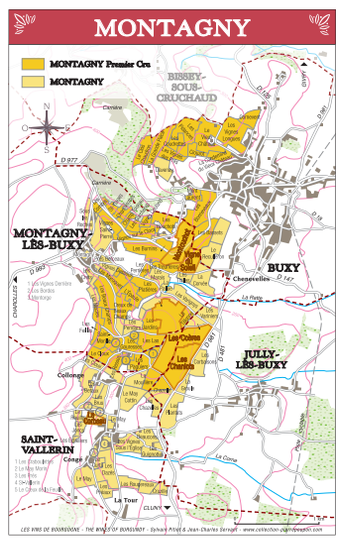
WINEMAKING AND MATURING

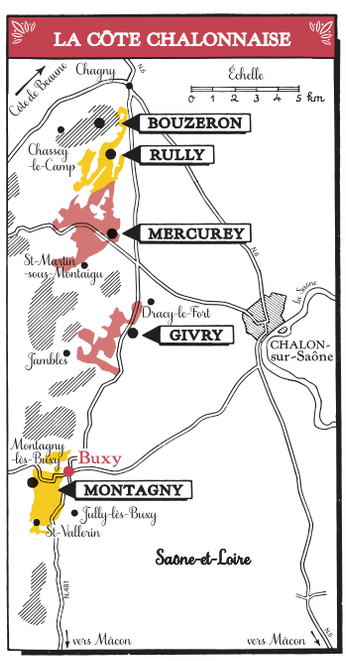
Crop harvested when perfectly ripe. Pneumatic pressing in order to maintain the quality of the juice. Measured settling of the must to reveal the richness of the terroir. Alcoholic and malolactic fermentation in temperature-controlled stainless steel vats, followed by maturing on the lees to reveal the captivating taste of the wine and contribute to the body. Bottling at the optimum moment followed by a resting period before marketing.

TASTING NOTES

This gleaming, golden-coloured wine reveals a bouquet of well-ripened yellow fruit. Heady and full of sunshine, it delivers flavours of peach, pineapple and mango with hints of spiciness. A very pure expression of Chardonnay.

Serving temperature : 11 to 13°C





Millebuis is the true essence of our multifaceted terroirs in the Côte Chalonnaise ; Montagny, Givry, Mercurey, Rully... the names of our wines are the embodiment of the charming villages situated in the very heart of Bourgogne and our treasure. It is from this rich environment that our wines draw their delectable qualities.
